to catch up to the blue blur, Sonic the Hedgehog. "Slow down!" she
screamed playfully and Sonic acknowledged her by turning around and
flashing his signature smirk. "Just who do you think you're talking
to, Ames?" he asked and was rewarded by her bubbly giggle following
them. Amy sped up without Sonic noticing and pounced just enough to
send them both crashing to the floor. Sonic chuckled, admiring Amy's

He snapped out of his trance and when he saw Amy's worried look, he blushed and nervously tugged at his brown neckerchief. "Sorry, Ames..." he realized he was still holding Amy's hand and let go of it, blushing harder. "Well, well, wellâ€¦ If it isn't Sonic and his girlfriend!" A familiar voice boomed, making Sonic and Amy jump. They were so well trained, they instinctively stood back to back; Sonic in a fighting stance and bouncing from one foot to the other and Amy crouching with her Piko Piko hammer in her hand. span/p

The rounded man emerged from the bushes, on his Eggmobile as usual and with a dozen crab-bots and bee-bots tagging along. "Hope you two don't mind, I was bored and couldn't sleep." he explained with a glare at the two hedgehogs. Amy rolled her eyes. "Thanks Eggman." she mumbled sarcastically. They began fighting; Sonic beginning to spin dash his way through the robots and Amy swinging her hammer like nobody's business. span/p

"Can't you guys just let me win once?" he pleaded. Sonic spin dashed onto his Eggmobile and replied, "Maybeâ€¦ Maybe not." With that he jumped off and signalled to Amy who swung her hammer onto the Eggmobile and hit Eggman away. The two heroes dusted their hands as the last of Eggman's curses drifted away into the dark of the night. Once silence dominated the shadows, they broke it and burst out laughing. "That was easy." Sonic commented smugly as Amy gently punched his arm. span/p

Sonic noticed and picked her up bridal style. Amy gasped but then held on to her hero's neck as he sped to her house. He kicked open the door and ran upstairs to put her on her bed. "Good night, my rose." Sonic murmured as he placed her on the bed. He turned to leave but then stopped, a sly smile appearing on his mouth. He walked back and put his mouth to her ear. "I love you, Ames." He smiled at that but was surprised when Amy grabbed his neck and closed the gap between their lips. His eyes widened but, he closed them and leaned deeper into the kiss. span/p
